Carnevale 2008 – 14th Annual Body Art Competition

The Art Community Fundraising for Charities

On May 16th, 2008, Dominelli International College of Esthetics will once again proudly host CARNEVALE 2008, the Annual Body Art Competition.

This event will feature artists who will demonstrate their talents using models as human canvases and will create elaborate, colourful and intricate designs on the human body. This years Body Artistry Exposition will feature "The World"

"All artists have free rein of expression to be inspired and create without limitation. This is a perfect opportunity where the artistic result is only limited by their imagination, talent, creativity and inspiration of each one of the artists. We believe this is a big part of our community's arts and cultural scene."

RITA DOMINELLI

President and CEO of Dominelli International College of Esthetics

Dominelli is pleased to donate 100% of the net proceeds of this event to The British Columbia Professional Fire Fighters' BURN FUND.
